

Sandy Park

HYBRID CONFERENCING & EVENTS

ONE EVENT, TWO EXPERIENCES

WHY CHOOSE A HYBRID EVENT AT SANDY PARK?

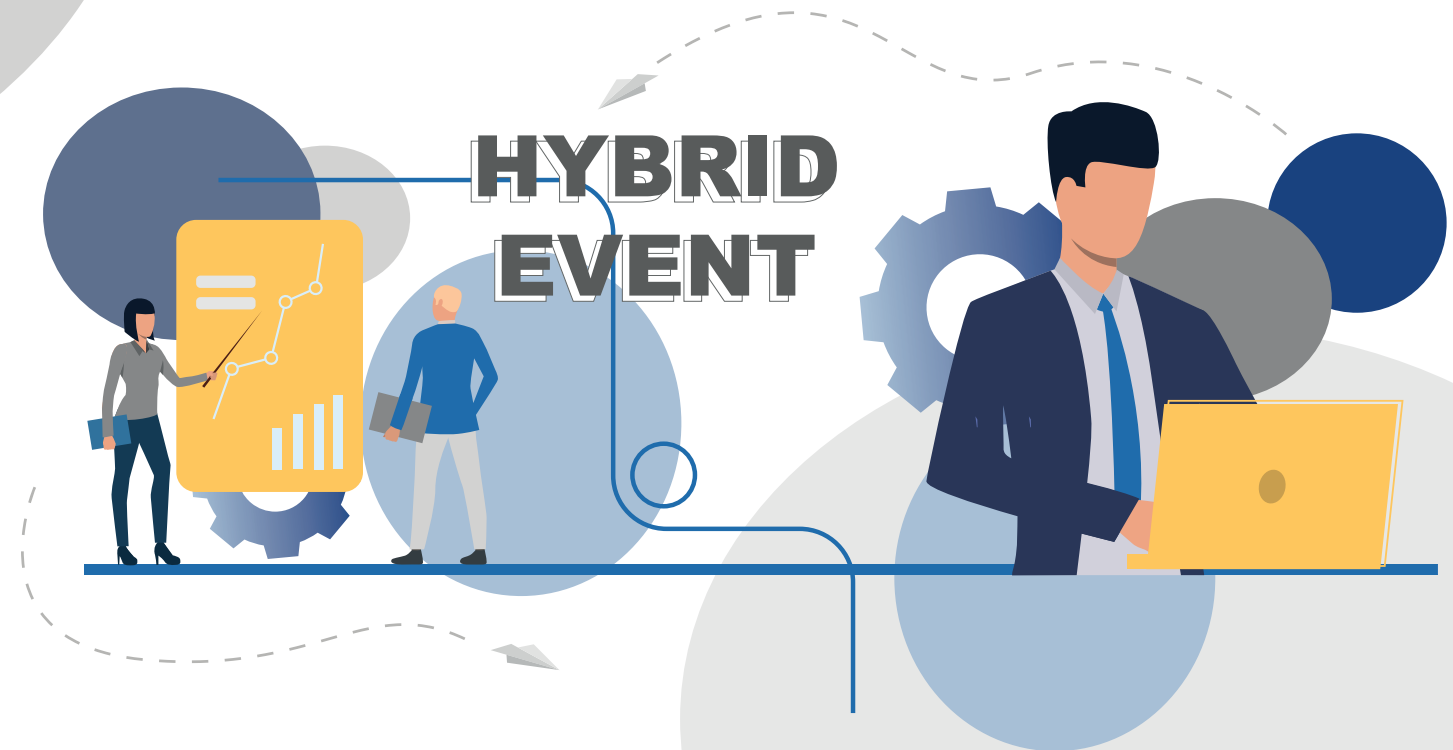

Hybrid Events combine the benefits of having a virtual audience alongside a Live Event. With this, virtual attendees can continue to engage and interact with the event content while in the comfort of their own home or office space.

ONE EVENT, MULTIPLE EXPERIENCES

Whether your event takes place online, in-person, or a combination of both, our hybrid events provide real and enriching experiences. Expand the reach of your event, with no restriction on delegate numbers.

ALLOWS INTERACTIVITY AMONGST PARTICIPANTS WHEREVER THEY ARE JOINING FROM

Interactive functions and Q&A options for all delegates whether at the venue or joining your event online.

SANDY PARK HYBRID EVENT PACKAGES:

GOLD

Gold - £2,000

Your dedicated Event and Technical Planners will meet you online to establish your event requirements, then provide you with a bespoke Event Interface. You need only focus on the event, as you normally would, and we will manage the needs and location of the speakers, exhibitors and delegates.

FOR YOU (The Organiser)

- Dedicated support from our technical team before and throughout event
- Ability for event sponsors to advertise to all delegates
- Stream to a platform of your choice

FOR THE DELEGATES

- Interactive functions and Q&A for remote delegates and onsite
- State of the art audio and visual experience

FOR THE SPEAKER

- Comfort monitor
- Tablet for interaction with remote delegates
- Virtual pre-event rehearsal
- Ability to be a remote speaker

POST EVENT

- Events can be recorded and sent on request after your session

SILVER

Silver - £1,200

The Silver package includes the necessities for hosting a hybrid event. Our onsite technical team are on hand to support you before and at the start of your event. This package will ensure remote attendees get the feel of the event as if they were in attendance.

- Technical support as required pre-and throughout event
- Tablet for organiser controlling local and remote displays
- Stream to a platform of your choice

- Interactive functions and Q&A for remote delegates and onsite
- State of the art audio and visual experience

- Technical assistance before start of event
- Tablet for interaction with remote delegates
- Virtual pre-event rehearsal
- Ability to be a remote speaker

BRONZE

Bronze - £600

The Bronze package is the perfect solution for virtual presentations whilst showcasing your brand. Remote attendees can receive all essential content via our streaming service allowing you to get your event online. One-Way transmission and no audio video interaction.

- Onsite assistance from our technical team
- Tablet for organiser controlling local and remote displays
- Stream to a platform of your choice

- Ability for remote delegates to ask questions via webchat

- Technical assistance before start of event

Optional extras available including Microphones, Additional Cameras and Comfort Screen. Contact our Events team for more information. All prices above exclude Room Hire, Catering and VAT.
